Dear Hidden Valley Community Assn:

This letter is to advise you that your irrigation service on the **STALLMAN CANAL** will be interrupted on the following days:

**February 24TH, 2020
5:00 AM – 4:00 AM (FOLLOWING MORNING)**

Outage times listed are approximate, generally your service will recover approximately 24 hours after the water fails. While the Agency has attempted to make these times as accurate as possible, times of failure and recovery of your water may vary.

The outage is due to **GUNITE**. Canal maintenance is essential for the reliability of the system and completion of this project will help us serve you better.

Thank you for your understanding and cooperation. If you have any questions, please call our Customer Services Center at 530.823.4850 or 800.464.0030.

Sincerely,
Placer County Water Agency
