Eric Oversteg
Director

Hello HV members-

As you all aware, the Covid 19 virus has caused us all to take extraordinary measures to help lessen the spread of this disease. In Governor Newsom's latest message to all Californians on Sunday, people over the age of 65 are to practice home isolation. Your board has taken this message to heart and wants everyone to know we are looking into ideas of how we as a community can help one another out during this difficult time.

Until those ideas can be vetted out, for those of you with neighbors who have to home isolate, we encourage you to reach out to them to see if there is something you can do for them so they may not have to leave their homes and potentially expose themselves to the virus. If you do not know your "experienced" neighbor, what better time to introduce yourself and offer some assistance to them. Our community spirit is strong! Your board is confident we will get through this difficult time if we all help one another.

P.S. We have also made the decision to cancel this month's board meeting This coming Wednesday the 18th due to the health risks of Covid 19.

Thank you,

Chip Dull, HV president
